To: Liquor Law Review <liquorlawreview@justice.nsw.gov.au>;

I have seen the effects of alcohol abuse, during my 23 years in the Police force.

I have seen the positive effect the new laws have had on places like Newcastle and I believe without reserve that the new laws should remain, the lock downs DO Make a big difference inspite of the protest made by those who profit from the removal of the shut down.

Regards,

Peter Cooper
