

# Submission to the review of alcohol

Karen Dean [REDACTED]

Thu 24/03/2016 1:43 PM

To: Liquor Law Review <liquorlawreview@justice.nsw.gov.au>;

I work in the health industry.

I have had a incident myself last year where drug and/or alcohol affected person tried to inflict harm to myself and friend for no reason in a quiet and open to street bar in Newcastle.

I also have family in the Newcastle area, so therefore, I like to feel they are protected from the idiots that spoil things for everyone.

Regards,

Karen Dean
