To: Liquor Law Review <liquorlawreview@justice.nsw.gov.au>;

Dear Premier Baird,

Please continue to support the current arrangement relating to the sale of alcohol late at night. I feel much safer staying out late if I know there are going to be fewer people effected by alcohol. I also want doctors, nurses and ambulance staff to also feel safe in their jobs and to be able to focus on people who need their emergency services.

Regards, Stephen Gates
