To whom it may concern:

I'm actually writing this as a concerned citizen. I hhve lived here for 12 years and recently I have never felt as unsafe. I live in kings cross so when I get home late from work I cannot go to a bottle shop which I don't want. When I go there I take my life in my hands. There are no police and there are still the same down and out people that have mugged me before.

Can you please tell me what you are doing to sort this out? I would like a reply. Thanks

Regards,
Mike
