To: Liquor Law Review <liquorlawreview@justice.nsw.gov.au>;

To Whom It May Concern; and the reviewing parties,

Our great city needs nurturing, not suffocation.

On behalf of all the good citizens of Sydney, we ask that you fairly review the existing lockout legislation with a view to find policies and solutions that allow the businesses and people of Sydney to thrive and live liberally, in a safe and harmonious environment.

We ask that you make the difficult decisions, void of corruption, greed and short term, nepotistic gain.

The people have spoken and there is no greater role for the government than to serve it's good people. Let this great city be just that.

Thank you for your consideration.

Faithfully yours,

Stevie Ghiassi
