To: Liquor Law Review <liquorlawreview@justice.nsw.gov.au>;

We were sick & tired of seeing and hearing of violence involving drunks before these laws were put in place. Although these laws haven't stopped it all, there's been a significant reduction! Our Police do a great job and they need these laws to be kept in place. We don't want to go back to the seeing the brawls that occurred before these laws. These laws must stay in place! Albert. Gravino .
