To whom it may concern,

My name is David Greene, I'm in a electronic band called The Potbelleez, I'm a professional DJ and music producer, I am also a ambassador for Apra Amcos. And musicians making a difference.

I immigrated to Sydney Australia in 2001 from Dublin Ireland and got naturalized as a Australian in 2011.

I do not agree with the current state laws regarding the lockout laws.

As a touring musician I have the advantage to be apart of a global community and I have to say here, I used to be proud to be a Sydneysider now I am embarrassed and considering moving to Melbourne where their laws fit in with my lifestyle and views.

Yours

David Greene
