

Submission to the review of alcohol

Noel Hickson [REDACTED]

Sun 27/03/2016 3:06 PM

To: Liquor Law Review <liquorlawreview@justice.nsw.gov.au>;

I am a General Practitioner living in [REDACTED] I have followed carefully the reports of the results of the more limited drinking hours in Kings Cross. In my view, notwithstanding some reduction in the liveliness of the area, it is imperative that these changes be retained, and proper consideration should be given to their introduction in other areas similarly affected by Alcohol Related violence.

Regards,

Noel Hickson
