Please keep the lock out laws in place. I feel very strongly about this. Protect the lives of the police, paramedics and nurses who deal with these out of control drunks who bash up people. Keep our streets safe not only during the day but at night time as well. The city is a place for everyone to enjoy not just people who go to the clubs. We need to set an example for all the tourists that come from overseas to this great city. Keep them safe!!!!
