To: Liquor Law Review <liquorlawreview@justice.nsw.gov.au>;

just consider the police the ambos ,the paramedics ,the nurses ,the doctors at the hospitals need I say any more .we are turning into a bunch of thugs male and female made worse by excess drink.I am 67 years old and own my own business ,I like a drink or 2 ,but what I see now is out of control .

I CANNOT BELIEVE THAT WE ARE EVEN CONSIDERING REDUCING THE CURRENT LAWS WE SHOULD BE INCREASEING THEM IN MY VIEW .
