Hi,

I'm a 32yo male Sydney resident. And I'm just writing to let you know that I think this law is incredibly unfair. The reason I think that is you are trying to protect me by stopping me to go out after 1.30am. That doesn't make sense, of course I want a safer environment but I don't want my freedom to be restricted. There are many ways we can solve this problem WITHOUT RESTRICTING other people's liberties. This seems to me the typical law made by people who don't get affected just to try to establish a moral behaviour in the society. Also the fact that the casinos were left out of the lockout area just makes everything more embarrassing.

I hope you guys respect civil liberty and stop with this fascist law as soon as possible.

After all, I AM one of the person you're trying to HELP, and I tell you, this is NOT helping.

Kind regards,

Clovis Jacob.
