

# Submission to the review of alcohol

john jacobson [REDACTED]

Thu 24/03/2016 2:39 PM

To: Liquor Law Review <liquorlawreview@justice.nsw.gov.au>;

I had been a paramedic for more than thirty five years and it that time I attended a large number of assaults and motor vehicle accidents where alcohol was involved and saw the death and destruction of human life and the human misery left on the people left behind I also was the Ambulance Commander at both the Kempsey and Grafton Bus Accidents

Regards,

john jacobson

Paramedic
