To: Liquor Law Review <liquorlawreview@justice.nsw.gov.au>;

Please keep these laws in place, as a mother of 3 sons, all living in Sydney, and 1 of which is a police officer I don't ever want my police officer son in any more of a dangerous position than he needs to be in to protect our society or way of life. His job and any emergency services staff have to deal with enough conflict, let us all help them to stay safe too.

Regards,

Donna King
