To: Liquor Law Review <liquorlawreview@justice.nsw.gov.au>;

There is no need for anyone to drink all night. In the morning they will just become nasty, aggressive drunks, that no, not what they are doing. The businesses that are complaining because of the earlier closures, are selfish and uncaring. I say, keep the current laws in place and keep our young people safe from harm and not to mention the money that it will save the tax payers by not needing, paramedics and hospital treatment.

Regards,

Ada Liebhardt
