

Submission to the review of alcohol

Philip Matthews [REDACTED]

Thu 24/03/2016 4:29 PM

To: Liquor Law Review <liquorlawreview@justice.nsw.gov.au>;

As a former police officer of some 33 years plus experience I believe the current laws that are in place are working. I worked in the Kings Cross area for a number of years and have first hand knowledge of the problems relating to alcohol. I am sure if the government asked any police officer, nurse, doctor, health worker etc.. They would get the same response. We need these laws to remain and even expanded to other areas..

Regards,

Philip Matthews
