I am a retired police officer of 25 years serving the front line general duties in NSW.. I have a son in the federal police so I am a qualified family supporting the lock out laws to the fullest. I support the work of the government so far and I support the work of the Doctors, Nurse, Police, health care workers in their submission to keep these laws in place for the sake of the whole community. Alcohol is an enjoyment not a burden and nor should it be.....Please keep these laws in place and widen the scope throughout NSW for the sake of all of us.....
