To whom it may concern

I am emailing today to express how incredibly disappointed and appalled I am with the current lock out laws in place in Sydney, NSW.

With these laws you have completely killed livelihoods. Hundreds of jobs have been lost, business owners have lost their businesses all because of the fact that you are out of touch with the reality of the systemic situation that is at hand. The way this has been so wrongly handled in such a once vibrant city is very scary.

You have applauded problem gambling and allowed it to thrive even more in in NSW. A state in the world that already has to deal with an alarming rate of suicide at the hands of gambling.

Not only do I request for these lock out laws to be immediately changed, I also request that you, Mike Baird step down - because you are out of touch with the people and you do not deserve to represent us.

Thank you for your time
