To: Liquor Law Review <liquorlawreview@justice.nsw.gov.au>;

I have had (some while ago) extensive experience in the liquor industry. Vested interests use many and varied excuses to knock the lock out law and its supporters. I suggest to you that the majority of liquor re sellers in the Cross are not genuine hoteliers or restaurateurs but have other interests. Have you not noticed that the laws are working??? It would be nice to have the same law State wide and Judges enforcing Coward Punch penalties.

Regards,

Brian O'Keeffe
