To Whom it May Concern,

I am writing to show my disappointment with the laws that are changing this city for the worse.

Sydney has been my home since I was 3 months old and growing up here has been amazing.

I feel very strongly about this and I do believe the lock out laws are completely absurd and irrelevant. Sydney has lost its "mojo". I am sure there are corrupt reasons behind this knee jerk reaction to a violence problem that has nothing to do with the night life that was once vibrant.

Please consider this more and do your best to fix this.

Regards,

Georges Ohana
