I believe we need to keep the alcohol laws and be introduced in Sydney and State wide, as alcohol and violence should not be tolerated. It is not safe at night to walk in Sydney or Lismore NSW 2480. Too many young people are getting hurt or died in the past, and now it is working perfectly...but need more work to be done to make it better..Please Premier of NSW Mike Baird...lets continue and improve the laws...

Regards,

Lyndall Parker
