To: Liquor Law Review <liquorlawreview@justice.nsw.gov.au>;

I am delighted that the incidence of alcohol-fueled violence is decreasing. Like everyone else, I believe that one violent incident is one too many. I am a nurse (but not in the "frontline" of Emergency Dept) and I am a parent of young adults. Please expand these laws to include ALL of Sydney to protect all of us from stupidity and violence. Thank you

Regards,

Margo Porter

Nurse
