To: Liquor Law Review <liquorlawreview@justice.nsw.gov.au>;

The main reason for my move to Sydney from NZ 3 years ago was to become involved with a vibrant nightlife of a truly international city.

In the last 2 years I have seen a significant decrease in opportunities, so much so that I'm thinking of moving to Melbourne (or further afield).

Also, the general pressure and displeasure that permeates the inner city leaves me more afraid for my safety than before the lock outs. Another solution MUST exist!

Thanks and regards,

**Dean Purcell**
