I would like to make a submission to the review of the NSW Alcohol Trading Restrictions.

I support these laws 100%

I am the father of two sons aged 15 and 20 and one of my biggest fears is that they will be out one night basically minding their own business and be indiscriminately attached by a drunk. Neither of my boys has physical skills or life experience to handle being approached by a drunk and I believe it is up to the Community as a whole to help to protect them.

My experience suggests that these laws have worked and they make a lot of sense to me.

I urge the NSW Government to keep these laws in place.
