To: Liquor Law Review <liquorlawreview@justice.nsw.gov.au>;

To whom it may concern.

This has been one of the most totalitarian decisions I've ever witnessed by the government, and there are plenty are contenders in the current regime.

Liquor licencing rules are damaging this city's reputation and culture. It is far too regressive. Sharia Law may be the next step in terms of alcohol rules.

There must be other ways.

Encourage the responsible service of alcohol and a positive nightlife culture.
