Dear Sir/Madam:

I would like to express my opposition to the Sydney lockout laws. The laws have created a dull Sydney that was once the beating heart of nightlife. It was always warm and inviting even in the early morning hours. I'm happy I got to experience that but feel sad I, or younger generations no longer can.

I believe the majority should have a say in what happens to our city without the influence of money and power of corporations and their agendas. I believe the majority do oppose these laws not only for permission to dance all night but due to the dire losses they've experienced to their livelihoods. I hope to see these laws unshackle our beautiful city.

Yours sincerely
