To: Liquor Law Review <[liquorlawreview@justice.nsw.gov.au](mailto:liquorlawreview@justice.nsw.gov.au)>;

Dear Sir or Madam,

The current lock out laws unfairly target gay patrons. While straight patrons can frequent any number of bars in the suburbs these options are not available to gay people. Our bars are almost exclusively within the lock out zone and so we feel unfairly targeted.

Please do something to change these unfair laws.

Regards

Jamie Sims
