I have lived in  for the past 16 years. I love it's vibrant night life but sadly watched as it all deteriorated until Fri. and Sat. nights became total stay indoors and lock the doors nights The screaming and abuse in Bayswater Rd. between 2am and 6 am.had to be witnessed to be believed .

AND IT ALL CHANGED. Almost overnight with the new laws we reclaimed our homes from the drunken hordes.

Please leave the new laws in place.

A grateful resident. Peter Brian Stansfield.
