

Submission to the review of alcohol

Rhonda Steele Steele [REDACTED]

Thu 24/03/2016 4:39 PM

To: Liquor Law Review <liquorlawreview@justice.nsw.gov.au>;

I am so tired of trying to reason with drunk/drugged people who present to the hospital with injuries,assaults,out of control behaviour,their friends getting in the way,demanding unreasonable treatment, taking no responsibility for their actions or the predicament they find themselves in,..and having no intention of doing so. And get brought in by the police the very next weekend in the same situation.

Regards,

Rhonda Steele Steele

Nurse
