To whom it may concern,

I am a 20 year old studying a B Business B Laws at University of Technology Sydney. I enjoy going out and drinking alcohol too. I strongly believe the current liquor laws are grossly unfair, as they punish the innocent population and also blanket us and treat us like children.

There are many ways the NSW government can make reforms. I have attached a photo.

The fact that the lockout laws exclude the Star casino and Barangaroo is another gross issue that the NSW government should be deeply ashamed for. I could write a whole essay on this if you would like.
