To: Liquor Law Review <liquorlawreview@justice.nsw.gov.au>;

We not only need to keep the present laws in place , we need to strengthen them. As the father of a serving police officer and uncle to two other officers ,I have heard the stories they tell of scenes they have attended where alcohol is a contributor to absolute carnage!!!! Tougher drink drive laws are not a problem if you don't drink and then drive.

Regards,

James Sullivan
