I live opposite an RSL Club. This club used to have a 3am closing time. On a Friday and Saturday, after midnight there used to be brawls, Shouting and screaming (males and females) obscene behaviour (urinating, vomiting and even sexual acts committed on the footpaths. Since new management placed a 12 o/c closing on the place all of the bad behaviour has ceased.

Please keep the laws in place!

Yours Faithfully
Bob Swift
