To whom it may concern

I wanted to email my support of abolishing the current lock out laws. As a resident living in the heart of kings cross, i moved here knowing and looking for the great nightlife and the vibe that the cross is famous for. Unfortunately this has mostly disappeared, being replaced by for lease signs as bars and pubs close down. We need to bring back the life that was in the cross, and I see that this can only be done by the review and abolishing of the lock out laws.
