Hi I would like you to consider the negative impact this law has on the gay scene and the future of Gay clubs and bars. Darlinghurst gay strip has always been a place of fun and colour and rarely had violence. Ladies love going to gay clubs for the fun and safe atmosphere. Mardi Gras was a month long festival now it's like 2 weeks because of the impact of these laws. Bars and Clubs on Oxford street will continue to struggle to survive compared to areas like Pyrmont, Newtown and new Barangaroo precincts. Please consider the very hard work the gay civil rights movement put in to build a community that brings Safety to people like me and amazing colour and creativity to Sydney. These lock out laws are a genuine threat to this vibrancy. I hope you find a satisfactory outcome in your review to lock out laws. Thanks for reading my concern.
