To whom it may concern,

I am writing to express my disapproval and sadness at the continuing lockout laws which blanket Sydney's nightlife. I feel the issue of alcohol related violence has been mishandled in an appalling way which had effected our vibrant cities nightlife and our citizens livelihoods. I do not in any way support the lockout laws or the extreme policing of our state or our city and will not support any party or individual who advocates for these laws to stay in place. There are other ways to tackle Australia's dangerous drinking culture which do not have to shut down nightlife and lock people out at 3am. Please consider 24 hour transport and exemptions for safe venues as well as an increased focus on shifting cultural ideas about drinking culture instead of simply banning it.

Signed
