

Submission to the review of alcohol

Linda Windley [REDACTED]

To: Liquor Law Review <liquorlawreview@justice.nsw.gov.au>;

I don't usually frequent venues at night. However as an avid news watcher I have noticed and been pleased with, the reduction in alcohol fuelled violence on our streets. I have grown children who do go out at night, so am concerned for them and others. Even if it doesn't effect me directly I would like to be part of a society that doesn't need to fear walking our streets after dark.

Regards,

Linda Windley
