To whom it may concern,

I am writing to registered my concern about the effects the lockout laws have had on Sydney's night life and culture. Sydney use to be a vibrant global City but has been reduced to an expensive suburb. Of particular concern is the 1:30am lockout. I believe this service no purpose but to the limit the movement of free people. The 1:30am lockout does not do anything to stop violence or reduce the consumption of alcohol.

Kind regards,
Prince Wright
