Hi gronks,

Making clubs close late didn't stop people from punching on, people still want to punch on, all you gronks did was move it from areas where there were cops (who're also gronks) to places where no one gets the cops involved. There are gronks out there who just want to punch on, and they're finding ways to do it anyway. Please let me be out for longer because I like when my money goes to people's creative works rather than the gronk property developers Mikey B exchanges dinners at Rockpool and hand jobs with.

Get a grip gronks,
Sincerely,
Tom
