Dear Sir,

I am writing to voice my concern that the introduction of another packaged liquor outlet in Freshwater would represent an undesirable addition to the shopping mix within the Village, It will be viewed with alarm by the Freshwater community more generally as its possibility creates an unhealthy bias towards the sale of packaged liquor.

Already there are 4 packaged liquor outlets serving the local community and this is more than ample.

I am also of the view that the sale of packaged alcohol in such close proximity to the popular Freshwater Village Plaza is bad planning and ought not to be licensed.

Thanks for the opportunity to submit my comments
Yours Faithfully
