Thank you for the opportunity to make a submission to the review of the NSW LIA process I have witnessed first hand the harm done by poker machines to individuals and families. It is an insidious process. The machines are designed to encourage increasing betting limits to try to cover losses. Clubs have cheap meals on pension days to attract players to the gaming room to lose their money. Safeguards to stop problem gamblers are simply window dressing. My local rsl club at [REDACTED] does not even turn the machines bells and whistles down during the ode and we all face a bank of machines while we stand for the ode. Please take a real stand against the damage done by these pokie palaces.

Yours sincerely, Kerry Wilsmore [REDACTED], Australia
