Subject: NSW Local Impacts Assessment
Date: Thursday, 15 June 2017 11:10:42 AM

The Local Impact Assessment needs to be strengthened by;

- The objective of the LIA process should be to prevent and minimise harm, not to grow the gambling industry or create dependency on gambling venues for community services;
- I look forward to hearing recommendations for much more rigorous assessment of applications for more poker machines, so that their devastating impacts on the community are at least considered.

Yours sincerely, Ron Witton
