PAGE 2: Part 2 – Key issues for stakeholder comment

Q1: The Lotteries and Art Unions Act 1901 aims to ensure that, on balance, Government and the community as a whole benefit from lottery activities. The Act seeks to protect players and the community by restricting who can conduct and benefit from lottery activities and ensuring that where such activities are conducted, they are done so fairly, with integrity and in a way that minimises community harm. Do the objects as set out in section 2 of the Act remain valid?

Yes

Q2: Do you agree with the proposed NSW model on page 10 of the discussion paper?

No,

Tell us why:
 Link broken. I have no idea. No don't know option.
 Your data for this question is not going to be valid.

Q3: Is there another approach that might be more suitable for regulating community gaming and lottery activities in NSW?

As above. Dont know

Q4: Do the requirements of the proposed model adequately address the risk of harm to the community that may arise from community lotteries and trade promotions?

No,

If you answered no, explain why:
 As above. Dont know. Your data is invalid.

Q5: Without reducing the integrity of the regulatory measures, what changes could be made to the make the application process easier?

1 form used nationally, and one fee

Q6: How can Government further assist organisations and businesses conducting lottery activities and trade promotions to meet their regulatory obligations?

1 form used nationally, and one fee

Q7: In section 8 of the discussion paper, it identifies that the Act does not provide for a civil penalty regime for breaches of conduct of lottery activities. Should a civil penalty regime be considered?

Yes,

If you answered yes, which of the current criminal offences, if any, should be addressed via civil penalties?
 Link broken. I have no idea. No don't know option.
 Your data for this question is not going to be valid.

Q8: Are there any other matters that should be considered in this review of the Act and regulations?

Link broken. I have no idea. No don't know option. Your data for this question is not going to be valid.
