**Q1: The Lotteries and Art Unions Act 1901 aims to ensure that, on balance, Government and the community as a whole benefit from lottery activities. The Act seeks to protect players and the community by restricting who can conduct and benefit from lottery activities and ensuring that where such activities are conducted, they are done so fairly, with integrity and in a way that minimises community harm. Do the objects as set out in section 2 of the Act remain valid?** Yes

**Q2: Do you agree with the proposed NSW model on page 10 of the discussion paper?** Yes

**Q3: Is there another approach that might be more suitable for regulating community gaming and lottery activities in NSW?**

All good

**Q4: Do the requirements of the proposed model adequately address the risk of harm to the community that may arise from community lotteries and trade promotions?** Yes

**Q5: Without reducing the integrity of the regulatory measures, what changes could be made to the make the application process easier?**

I do not consider there to be any other way of ensuring integrity but making it easier

**Q6: How can Government further assist organisations and businesses conducting lottery activities and trade promotions to meet their regulatory obligations?**

All good

**Q7: In section 8 of the discussion paper, it identifies that the Act does not provide for a civil penalty regime for breaches of conduct of lottery activities. Should a civil penalty regime be considered?** No
